

Start at point number 1 and make your way from there. Most galleries close at 9pm, so we encourage starting by around 6pm to give yourself enough time at each exhibition.

Follow the programme as you wish. You may choose to stick to it, or deviate from the map and let the night take its own course. Do not rush, be in one place at one time, and most importantly, look.

Please note that you follow this programme at your own risk. We encourage all attendees to be vigilant, to walk in groups, and never to put yourself in situations where you do not feel safe.

Enjoy the programme, and if you have any feedback get in touch at info@thursdaysprojects.co.za
